## Terms of Work & Quality

1. The View Industry as Provider has the full vision for the Project.

However, on how you want,

But for Very Creative and Interesting Memory,  
The Industry recommendations need to be considered.

But if The Client insist the way,  
The Industry will follow and will not be responsible if work seems Similar.

2. The Rest is the Field Quality and Better Treatment for anyone of The Industry  
as The Industry value a lot everyone you see of them.  
The Industry insist not anyone of Its crew to be treated poorly or The Work will be in trouble  
depending on how sarcasm.
3. If there will be another Service Provider or Family Camera, The Client needs to announce during  
this contract or Otherwise, The Industry will step back with Advance paid.
4. The Industry insist of free working in the field, Disturbance and Distractions lead to poor work  
done.
5. Any Unplaced schedule will cost more.
